The WELLESLEY AMATEUR RADIO SOCIETY will hold the fifth meeting of its 15th year on Tuesday, January 3rd, at 7:30 PM. The Club Room is located in the basement of the Wellesley Hills Branch Library, located at the Northeast Corner of the intersection of Routes 16 and 9 (210 Washington Street). Entrance is in the rear.

The featured speaker will be Mr. Darlo Botha, Communications Engineer. Mr. Botha will speak on Tropospheric Propagation. He will discuss what it is and how it is used in commercial and military circles. Mr. Botha will help us develop greater DX and Local Contacts.

Members are encouraged to bring guests. Refreshments will be served.

Walt. Lenk, KIYTY
Secretary

Nota Bene:

At your request your Secretary is preparing a list of those who have attended meetings since September. This list will be ready for the February meeting.

If you have not paid your dues, please see Roy Snow. The Club has many interesting future activities which may require money!

PLEASE DISCUSS OUR CLUB ACTIVITIES ON THE AIR.
